Publications

Economic Justice How-To Manual

This publication will provide your congregation or diocesan task force a comprehensive guide to economic justice ministries.

- Advocacy
- Community Organizing
- Community Economic Development
- Economic Justice Education: Our Faith Tradition
- Globalization
- Socially Responsible Investing

Education Modules

- A Christian Response to Economic Inequality
- The Real Threat to Family Values
- Why the Economy Isn't Working for Workers
- Making Sense of the Recession
- The Global Economy
- The Church and Its Money

These are available on-line at **www.enej.org**.

ENEJ also has available

- A booklet entitled **Community Investing: An Alternative for Religious Congregations Seeking a Social as well as a Financial Return**
- A booklet describing **economic justice issues** and how congregations can respond.
- **Twenty Years Later: Response to a Crisis Strengthening Economic Justice Ministry in the Church in a Time of Fiscal Crisis.**

Pick up our publications at ENEJ booth (#742) or order on-line from **www.enej.org**.
